Q 4. Does FAEA help the scholars in getting admission to the Associate Colleges of FAEA?

Ans 4. FAEA may help in getting the FAEA scholars admitted to the Associate College but does not guarantee admission. They are, however, advised to inform FAEA if they apply in any of the Associate colleges.

Q 5. Do FAEA scholars have to join FAEA's Associate College only? Can they join any other college?

Q 6. Does FAEA pay to the college directly?

Ans 6 Yes, FAEA does pay the college directly. We prefer to pay to the college directly. FAEA scholars will be required to submit the documents well in advance and give FAEA 3-4 working weeks to make the payment. Incase if the fees are required to be paid immediately and there isn't enough time, they may go ahead and pay the fees and thereafter submit the relevant documents for reimbursement.

Q 7. Can a FAEA Scholar receive any other scholarship? Can he/she benefit from two scholarships simultaneously?

Ans 7 FAEA scholars can not avail two scholarships at the same time. They will have to choose either FAEA scholarship or the one that they are already getting. They can send us a letter stating that they have discontinued the scholarship and get it attested by their college Principal.

However, they can avail of SC/ST/OBC/Women waiver/exemption given by the Central/State Government. In case they are enjoying this benefit they must inform FAEA about the same so that the amount of scholarship given by FAEA may be adjusted accordingly.

Q 10. How does FAEA pay in case if Hostel fee is collected by college but the mess charges are collected by a private contractor or if it is managed by students in a dividing system?

Ans 23 FAEA supports a scholar for a maximum period of 5 years (subject to availability of funds). FAEA scholars may request for their grant to be continued, after they finish Bachelors degree, to attain Masters Degree. The continuation of the scholarship depends on good academic performance each year and on the recommendation of the principal. Approval for the institute is a must.

Ans 25 No, FAEA does not help the scholars in their summer projects. FAEA does not recommend any student to any company for training.

Q 26. Who will get the scholarship amount?

Ans.26 All the allowances will be paid to the scholar directly. If the scholar has paid the college/ mess/hostel fee, he/she is to suppose to submit the original receipts and the draft will be drawn in their favour, else the fee will go to the college directly. For that you need to mention the name that has to be mentioned on the draft. For draft, please give us the Exact name which you have in your bank account.

Q 27. If I have not cleared some of my semester papers, am I still eligible for renewal of Scholarship?

Ans 27 Please note that renewal of scholarship is totally dependent on your performance. In case you have not cleared some papers but have been promoted to next semesters, your principal has to give a strong recommendation to continue your scholarship.

In case you are not promoted to next semester your scholarship will be on hold till you clear your papers and renewal will totally depend on FAEA's approval.
